

SNOW-MER

POOL PARTY

Join the mermaids and Snow White for a magical evening at the pool! There will be time to cool down in the water and swim, and on land “snow” is bringing a chill with an ice cream treat. Don’t forget your camera for photo opportunities with the mermaids and Snow White. Bring your suit and a “princess/prince” outfit over the top if you like while on land. Celebrate snow and water together!

Swimming will be in front of the lily pads, and adults will bring suits to swim with the children. Event includes admission for adult & child, an ice cream treat, and time to take pictures.
